# JOAN ROTH HERSCHEDE SCHOLARSHIP FACT SHEET

The Joan Roth Herschede Scholarship is awarded each year to eligible students with a 3.25 grade point average or higher. Each year, on full-tuition scholarship as many partial scholarships as funding allows are awarded. The purpose of the scholarship is to help as many deserving students as possible within the funding limitations.

All Roth Herschede scholarships are for a period of one year. However, recipients of the scholarship may reapply each year.

The committee may decide to award no scholarships in a particular year if it is determined that no deserving applications are received.

Applications are available to all students, regardless of religious affiliation, grades 7-12 and sixth graders who will be entering Notre Dame Junior High School.

Selection will be made by a committee based on academic record, community service, and extracurricular involvement and financial need. These areas of eligibility will weigh equally.

Students must submit an application package consisting of the following items:

1. Roth Herschede Scholarship Application which includes a standard financial-aid form used to school tuition assistance applications. All information will be held in confidence.
2. A signed grade release authorization form.

4. One letter of recommendation from an adult knowledgeable of the applicant but not related to the applicant.
5. List of student activities.
6. A letter of request from the student, detailing why the students want to attend Notre Dame Junior/Senior High School.

As part of the award criteria, each awarded student will send a handwritten letter of thanks to Debbie Huffman, daughter of the late Mrs. Herschede, and at least one academic progress report during the school year.
