UCAN/OBERLING SCHOLARSHIP FACT SHEET

In 2008, the Oberling Family together with the Scioto Foundation established the UCAN/Oberling Family Scholarship. Mr. and Mrs. Henry Oberling agreed to fund this scholarship in the amount of \$10,000 per year for five years. This amount was matched by the Scioto Foundation in the amount of \$10,000 per year for five years. Each year, the interest obtained from this endowment, together with contributions from other community members, is given away as scholarships to graduating members of Notre Dame High School's Senior class. The Oberling Family determines each year how many scholarships will be awarded based on the value of the fund.

Eligibility requirements for the scholarship include:

1. The applicant must be a graduating senior dedicated to academic achievement as well as community service and must have attended Notre Dame Schools for at least two years of his or her high school education.
2. Each applicant must have at least a 2.8 accumulative grade point average through the second quarter of their senior year.
3. The applicant must have applied and been accepted at an accredited college or university.
